**ATLANTA EVENT TO SHOWCASE LOCAL ARTISTS AND BRING
TOGETHER A DIVERSE CROWD FOR CHARITY**

ATLANTA, GA – May 4, 2010 - Atlanta based art and design collective, New Juncture, is hosting their first art event at The Gallery at Cherrylion Studios on May 22, 2010 at 7:00 pm. The event will feature: live sketching, art wall, body painting, a charity raffle and live jazz.

Studio Sessions is New Juncture's premier event and will showcase different forms of art within a studio setting. The show offers a wide variety of artwork from a dozen local artists and a crowd as diverse as the work being displayed.

Teamed up with the One Love Organization, a portion of the proceeds from the charity raffle will go to the local, non-profit organization whose focus is on empowering youth to inspire social change through art, service and awareness.

Tickets are priced at \$5 online and \$7 at the door. Both prices include a raffle ticket that will give each person one chance to win original artwork from one of the artists of New Juncture.

New Juncture consists of three artists with distinct styles and ideas. They work together to unite all facets of the art world through new and innovative techniques. Each member brings a unique approach to the table and pushes each other to stay original and pioneer a new era of how people view art in Atlanta.
